# Buses

## Bloomfield Drive/Road

Following the PACT meeting there has been further discussion regarding the buses in Bloomfield Drive/Bloomfield Road.

The previous consultation the majority of respondents said they wanted buses to remain in Bloomfield Drive and not to have yellow lines to help the buses pass, due to current problems of parking - There are two new suggestions. Please indicate your view.

That buses go along Bloomfield Drive one way and return to town the other way through Bloomfield Road, or along Bloomfield Road and return via Bloomfield Drive.

The other option is this route is followed by every second bus, the rest following the current route. This would mean it is less likely for buses to meet in Bloomfield Drive
