

# Around ODD Down

The Council has approved the building of over 100 houses at the Clark's Site, and work has started on the roundabout. Cllr Nigel Roberts and Steve Hedges have been active in try to ensure that this results in the best deal for Odd Down, they are still very concerned about the level of traffic and are asking the Council to do more to address this issue.

The bus timetable at the top of **Bloomfield Drive** is to be replaced after action from Cllr Nigel Roberts

The Focus Team have asked the Council to pay special attention to cleansing in **Canons Close**, due to the litter dropped by pupils attending Culverhay School.

Cllr Nigel Roberts has asked for the sign to **Banwell Road** to be repaired.

The Focus Team have contacted the Council to stop anti-social use by cars of the Culverhay sports centre.

The vandalised motor cycle barrier at **Odins Road/Vernham Grove** park is to be replaced

## Entrance to Odd Down

Cllr Steve Hedges and Nigel Roberts are asking the council to improve the sight lines for motorists at the entrance to Odd Down from the Park and Ride. Signs reminding motorists that they are entering a residential area are needed.

It is between Don Foster's Liberal Democrats or the Tories - Labour are trailing in Third place in Odd Down and cannot win here.
