On Odd Down/Kingsway

Edited by Cllr Nigel Roberts 336366 and Cllr Steve Hedges 358622

Twenty is Plenty

Odd Down Lib Dems want the council to introduce 20 mph zones throughout the residential areas in Odd Down and Kingsway, and especially outside of the schools in the area.

A regular concern expressed by residents is speed of traffic, whether that is Edgeworth Road or Banwell Road, we need the speed of traffic in residential to reduce to stop accidents and deaths on our roads.

Money was put into the area committee budget for a 20 mph Zone in either Sulis Meadows or the Banwell Road/Cranmore Place area. This has been cut by the Conservative administration running the council.

Save R.U.H. Cancer Services

Liberal Democrats in Bath are campaigning to prevent specialist cancer treatment for gynaecological cancers being moved from the Royal United Hospital to United Bristol Healthcare Trust.

Liberal Democrat Councillors and Don Foster MP met Katharine Tylko-Hill and other campaigners this morning to discuss the issue and launch a joint campaign to oppose the proposal.

Speaking after the meeting, Don Foster MP said: "This is clearly an issue about which local people have strong feelings. Many respondents to my recent NHS survey said they were against the idea. What is important is the effect this would have on the patients and I have seen no convincing evidence to show that Bath patients would benefit from having treatment for these cancers moved to Bristol.

"The government has come up with this proposal to fit in with their centralised plans rather than considering what is best for local people - we are standing up for local people and what's best for them."

Other News - We have asked for white lines to be painted at the junction of **Barrow Road** and **Old Fosse Road.**

The crossing in the **Wellsway** opposite the **Burnt House flats** looks like to go ahead shortly. The allotments at the rear of **Bloomfield Drive** need money to get them open. We are trying to get this finished.

We have asked for the bus stop in **Ambleside Road** to be repaired.

Old Fosse Road - Update

Most of the physically works have been completed. Cllrs Nigel Roberts and Steve Hedges are now following up two issues.

Large lorries are still using the **Old Fosse Road** and the surrounding roads, Cllr Nigel Roberts is asking the Conservative executive member why he isn't enforcing the law.

Cllr Steve Hedges is looking at the speed humps, the width of the humps allows a car to pass over them easily.
