Traffic Calming Update

The officer in charge unfortunately has left the Council, as a result this has slowed down progress. The plans have been sent out to formal consultation with the Police, Fire Brigade and Ambulance Service. The next stage will be to publish them in the Bath Chronicle.

If you wish to see the plans there will be a copy at our regular advice surgery. This is held at the Youth Centre, Odins Road every Saturday 10.00 -11.00 a.m.
