

Focus Special

Vernham Grove Play Area

We have met with Council Officers and Officers from Somerset to try and sort out the issues of rubbish and antisocial behaviour in the play area. The play area is currently owned by Somerset housing, which makes things more difficult in moving things forward. We have been discussing with Somerset what can be done and as a result Somerset have agreed to:

- 1 Cut back the undergrowth, trim down most of the planting
- 2 Install a bin
- 3 Remove the brick wall and alter the fencing

We feel that the only long term solution is for the park to return to Council ownership, this will allow changes to occur to the park. To help that please can you sign our petition, this can be done below or on-line at www.ourcampaign.org.uk/playareas

Name	Address	Signature	Email
------	---------	-----------	-------

The anti-social behaviour is a police matter. The police assess where the calls come from in deciding where to putting their resources . If no one calls then it makes it harder to get any response from the police. If there are any problem please telephone the police number 0845 4567000 - if you have difficulty in getting through on this number, as many residents have, we would like to know.

If you have any comments especially about what should happen to the park. Please contact us by email or at the addresses below, or return this Focus leaflet to the free post address on the back.
