

Focus Special

Vernham Grove Play area

Rubbish and play equipment

After much discussion with Somer Housing regarding the park, Somer have agreed to clear much of the bushes, this will happen during the winter. The small land beside the path that runs between Odins Road and Vernham Grove is owned by the Council, . We are asking the Council to also clear the bushes. Somer have no current plans to replace the equipment.

Much of the problem occurs as the lane way at the rear of the houses is owned by the Council. The parking bays are owned by Somer so both organisations need to act to clear up the rubbish.

We feel everything would be better if everything is owned by the council, if you agree please let us know using the form on the back of this leaflet.

If you have any comments. Please contact us by email or at the addresses below.

or return this Focus leaflet to the free post address on the back.
